Index No.: 900001/2026
NYSCEF Doc. No.: 12

DOCUMENT TYPE: PROPOSED_PRELIMINARY_CONFERENCE_ORDER
DOCUMENT TITLE: Proposed Preliminary Conference Order
FILED DATE: 2027-03-20

JUDGE / PART: Hon. Tracy Catapano-Fox - Medical, Dental and Podiatric Malpractice Part (Courtroom 48)

APPEARANCES:

Plaintiff counsel: Hudson River Trial Law PLLC by Alex Morgan, Esq.

Defense counsel: Harbor Defense & Medical Liability LLP by Taylor Reed, Esq.

SYNTHETIC DOCUMENT CONTENT:

1. Proposed Preliminary Conference Order for the Queens Medical, Dental and Podiatric Malpractice Part.
2. The proposed order includes disclosure provisions for insurance, bill of particulars, authorizations, records, physical examinations, and depositions.
3. Proposed plaintiff deposition date: 2027-06-19.
4. The proposed order includes medical malpractice part language that plaintiff deposition should occur within 90 days of the preliminary conference order unless otherwise directed.
5. Because this is a proposed order, treat dates as conditional until so-ordered or replaced by a filed order.
6. Later so-ordered preliminary conference orders control over this proposed order if inconsistent.
